The Examiner is respectfully requested to review the items listed on the attached form and make them of record in the instant application as required by M.P.E.P. §609. It is requested that the Examiner initial the enclosed duplicate Form 1449, and return one copy to the undersigned.

This Statement is being submitted after receipt of an office action on the merits. Each item of information contained in the information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present information disclosure statement, therefore no fee is believed to be due. If any fee is due, please charge deposit account 50-0573.

The items of information contained in the information disclosure statement were cited in the European Supplementary Search Report in the counterpart European Application No. 03796317.0. With regard to the citation of US2004/0087798, applicants include this reference as the U.S. equivalent application of EP1264820, which was cited in the European Supplementary Search Report.

Item AC is a patent publication in the German language. A copy of the Chemical Abstract of the document is provided, and cited as document AD. Applicants have not obtained a translation of the document and have not been able to locate an English language equivalent. The relevance of the document as it is presently understood by the applicants is that the document discloses the synthesis of dihydroxyphenyl acrylamide derivatives (including N-phenyl derivatives) having structural similarity to the presently claimed compounds.

Respectfully submitted,

M. V. Ramana Reddy, *et al.*
